

Lash Le Roux Safaris - Hunter of the year 2010

Looking back at the years hunting, 2010 had a lot of handicaps like the Soccer World Cup, recession, ash clouds etc. Any how we had a great hunting season, made new friends, hunted excellent trophies of good quality and appreciate the hunters who still dedicate themselves to our wonderful sport and nature.

Lash Le Roux Safaris, for the very first time has a hunter of the year as a woman. We are proud to announce that Ruthie Baker is the hunter of the year for 2010. She took no less than 4 out of 6 gold medal animals and can report of the best marksmanship and dedication to the hunting sport. Hunting all her animals the walk and stalk way and taking the nr 1 Gemsbuck for Gamagara Game for the last 3 years measuring in at 41,75".

Her first African trophy was a gold Medal Common Springbuck and she ended her safari with a gold medal Steenbuck. Ruthie took all her trophies with a Sako in .270 Winchester at distances up to 250 yards.

Congratulations Ruthie, your prize consists of 4 days hunting, 1 on 1 with PH, Lash Le Roux himself, 1 Common Duiker and 1 Warthog trophy.
